Item for DCI/DDCI/DIRFBI Meeting on 6 July 1982

For the information of the DCI, the procedures implementing E.O. 12333 concerning CIA activities within the U. S. have been delayed over a jurisdictional point with the FBI. We have been advised that this final point of contention has been resolved in CIA's favor and that Director Webster will sign his approval memorandum by 2 July 1982 following which we anticipate quick approval by the Attorney General.
